

Middle School "Crews"

The 5 C's

Community Service: The students will do several small and two large scale outreach programs in our surrounding counties each school year. Our focus is training our young people to show an attitude of Christ in being servant minded and helping those in need. Past events have included; Special Olympics, Yahweh Center, Salvation Army, Good Shepherd's Home and the Anchorage Camp.

Conduct: Each month a record of conduct points is tabulated focusing on the positive element of not receiving violations at school. All student points are added together to equal an overall total for each separate crew.

Chapel: Each Thursday chapel students will compete in a Bible game to earn points for their crew. This is an exciting way to challenge our minds with some neat Biblical facts.

Crew calls: Crew calls are unannounced game and competition times. On any given day, the crews could be called out of their classrooms to meet on the field or in the gym to participate in a quick crazy challenge. The winning students will earn points for their crew.

CCC: Crazy Crew Competition times are announced competition days to meet in the gym or on the field for a full hour of fun. These will meet once a month.

2011 - 2012 Crews

Death adders
Rattle snakes

Anacondas
Pit vipers
Spitting cobras
