

Computer Storybook Maker

Ages: 6-9 years ■ Time: 8:00am-12:00noon

Using word processing, desktop publishing, multimedia, and graphics, you will create all kinds of stories and create your own portfolio. You will write and illustrate rebus stories, recipes and your own autobiography. An animated multimedia story will be your final project. You may create a bestseller!

Picture This!

Ages: 8-10 years ■ Time: 8:00am-12:00noon

Look at the world around you through the eyes of a photographer. Learn how to give your pictures the WOW factor and develop your skills by taking on your first official photo assignment. Grab your camera!

Creative Clay

Grades: 4th-7th ■ Time: 8:00am-12:00noon

Become an instant potter! Come and learn the basic techniques of hand building clay...coiling, pinch pots and free form. Pieces may be functional or pure art. Imagination knows no bounds in a child's creative work of clay.

Race Around the World w/ Legos

Ages: 7-12 years ■ Time: 8:00am-12:00noon

Lightning McQueen and the gang from Radiator Springs are headed to Tokyo. Join them to build the vehicles needed for land, sky, and sea. Pit stops will be all over the world. Once in Tokyo, Lightning needs a last burst of speed to make it to the finish line.

Project Accessory

Ages: 8-14 years ■ Time: 12:30-4:30pm

A girl can never have too many accessories! Learn how to create stylish scarves, bracelets, hairclips, necklaces, etc. using your favorite colors. Let your personality shine through the accessories you make!

Pardon Me, Please

Ages: 7-12 years ■ Time: 12:30-4:30pm

What are manners? We will discover the right thing to do in any given situation. Both boys and girls will investigate school manners, table manners, family manners and much more. We will role play, make crafts, and party as we discuss manners and etiquette.

Cooking Up Fun!

Ages: 7-12 years ■ Time: 8:00am-12:00noon

Want to cook like Paula Deen or Bobby Flay? Discover your passion for cooking and entertaining by participating in hands-on culinary activities. The joy of cooking will be yours as you eat food you have prepared. You will take home a copy of all the recipes prepared during the week.

Kids on the Go!

Grades: 2nd-6th ■ Time: 8:00am-12:00noon

Teaching kids to eat, train, and run right! This program helps kids understand the "power" foods for their bodies, teaches kids the right warm ups (such as stretches and breath control) to prepare their bodies for intense exercise, builds them up to a 5K endurance run (3.1 miles).

Kindergarten Korner

Rising K5 only ■ Time: 8:00am-12:00noon

Calling new kindergartners to Kindergarten Korner! Dust off the summer cobwebs! Join us for phonics, reading and math review to get a jumpstart on kindergarten. We will review through hands-on activities, games, and much more. Come get a jumpstart for a successful transition to kindergarten!

JumpStart to 1st Grade

Ages: Rising 1st Only ■ Time: 12:30-4:30pm

Calling all new first graders! Dust off the summer cobwebs! Get ready for first grade through phonics, reading, math, and writing review. We will review through hands-on activities, games, fun reading and writing activities. You will get to write your own book! Get a jumpstart to first grade!

Lego Star Wars Alien Invasion

Ages: 7-12 years ■ Time: 12:30-4:30pm

Help! We are being invaded by space aliens! Build Lego aliens that are abducting earthlings. Then defend the citizens of earth by creating Star Wars light sabers and Jedi knights. Once the aliens have been destroyed, the Lab for Alien Study will need to be constructed, so the aliens can be analyzed. Come save the earth!

Crazy Cozy Quilting

Ages: 7-14 years ■ Time: 12:30-4:30pm

Come learn the basics of quilting. Create comfy throws, crib-sized blankets or crazy quilted pillows from material scraps and pieces. With simple sewing machine instructions, there will be no limit to the creations you can make.

Where fun and learning come together!

Wilmington Christian Academy

Summer Enrichment Camps 2012

Wilmington Christian Academy offers the best, most comprehensive summer camp program in the Wilmington area. Excellent facilities, caring, professional teachers, and enthusiastic coaches create an enjoyable summer experience at WCA that will be remembered for years to come.

All Dolled Up

Ages: 9-14 years ■ **Time:** 8:00am-12:00noon

Manicures, facials, and hairstyling are fun to learn. Being “dolled up” on the outside is not as important as being “dolled up” on the inside. Daily devotions will encourage girls to make themselves all dolled up from the inside, while styling secrets and tips will teach them to be beautiful on the outside.

Knit Wit Knitting

Ages: 6-14 years ■ **Time:** 8:00am-12:00noon

Get your knitting needles clacking and join us for a fun knitting camp. Learn the basics: casting-on, and knit & pearl. Make fast and useful projects like cotton washrags, pot holders, or even create multi-colored fashion scarves.

Beginning Band Camp

Grades: 4th-8th ■ **Time:** 8:00am-12:00noon

Get a head start on Beginner Band at your school! All young people are invited to take advantage of the opportunity to learn the basics before school starts. Students will learn technique, musicianship, music reading, and performance etiquette. Camp will also include fun time, music games, music theory, and music appreciation.

Guitar Camp

Grades: K5-8th ■ **Time:** 8:00am-12:00noon

Expand chord knowledge, strum patterns, tablature reading, note reading, and much more! Every day will include basic music theory lessons and games.

Intermediate Band Camp

Grades: 4th-8th ■ **Time:** 8:00am-12:00noon

Summer music fun is what band camp is all about! Come make great music with other instrumentalists your age. Students will play interesting music, explore music theory, and discover music history along the way. It is a great way to get ahead for the next school year. *(Prerequisite: 1 year of band participation)*

Book Nook

Grades: 1st-2nd ■ **Time:** 8:00am-12:00noon

There's way more to books than just reading them! Experience a variety of engaging activities that include assembling a craft, participating in games, making a snack, and creating reenactments based on each book we read. Each day has a theme of its own!

Handbell Camp

Grades: 4th-8th ■ **Time:** 8:00am-12:00noon

Experience the fun of ringing in a handbell choir. We will learn the techniques of bell ringing and play great music. There is sure to be fun in discovering basic music theory, playing music games, and discovering music history.

Bedazzled by Beads

Ages: 9-14 years ■ **Time:** 8:00am-12:00noon

Are you attracted to jewelry? Learn how to turn ordinary beads, metal, and string into stunning, wearable art. Use patterns to create colorful bead strands, glass and wire pendants, bracelets, earrings, and more.

Children's Choir Camp

Grades: 3rd-8th ■ **Time:** 8:00am-12:00noon

A full week of singing and fun for students! All young singers are invited to join us for a week of learning group vocal technique, proper performance etiquette, great children's choral literature, and to perform together in a concert for friends and family.

Web Page Design

Ages: 10-14 yrs ■ **Time:** 8:00am-12:00noon

Your child will learn how to build a basic website using a text editor (such as Notepad), HTML code, and Cascading Style Sheets. There are no special programs necessary to make a webpage, and after this camp, your child should be able to make a page on your home computer.

Ukelele Camp

Ages: 7-10 years ■ **Time:** 8:00am-12:00noon

Campers will learn basic chords to be able to play along with songs. Students will be taught to tune the instrument, and given print-outs of chords to practice at home. At the end, a concert will be held so you can see what they have learned. Each camper will need his own instrument for the camp.

Crafts for Kids

Ages: 6-8 years ■ **Time:** 12:30-4:30pm

Kids can use their imaginations to create things out of the most ordinary items. We will be taking these very same ordinary items and making space robots, salt paintings and lots more. Each day a craft will go home.

Weird Science

Ages: 6-10 years ■ **Time:** 8:00am-12:00noon

Ever wonder how to make ice cream or slime? Do you like to watch things explode? Come discover these and other weird scientific facts each day. Become a mad scientist and take it mad scientist.

Little Picassos

Grades: 3rd-5th ■ **Time:** 8:00am-12:00noon

Come learn how to use different techniques to paint your one-of-a-kind keepsake. Graftito, stamping, tie-de, masking, bubble... We provide the bisque, paints and supplies. Your child's imagination provides the masterpiece!

Creative & Chic Boutique

Ages: 9-14 years ■ **Time:** 8:00am-12:00noon

Bows and headbands and clips – OH MY! This camp is for all creative and chic girls who would like to learn how to make their own hair accessories for themselves and for their friends.

007 Spy Camp

Ages: 8-11 years ■ **Time:** 12:30-4:30pm

Each day at Spy Camp is filled with top secret briefings and activities. Aspiring kid spy recruits will learn from real CIA spies, have a tour of FBI Headquarters, learn Ninja skills, and hit the streets to run training missions. Develop a disguise for cover, make and break codes, discover escape and evasion techniques, create and use spy gadgets, all this and more awaits young recruits!

Christmas in July

Ages: 7-12 years ■ **Time:** 8:00am-12:00noon

If you love Christmas, this camp is for you. The excitement does not have to be packed away in January and forgotten until November. Let's get in the holiday spirit in the hot, humid days of July. We will be making all kinds of Christmas and holiday treats to cool us off and crafts to get us in a festive mood.

Mosaic Madness

Grades: 3rd-6th ■ **Time:** 8:00am-12:00noon

Let your child discover the magic of mosaics. Mosaics are like a puzzle that can be as easy or difficult as they wish to make it. We will use glass tiles and gems to create truly beautiful and unique pieces.

Sewing 101

Ages: 8-10 years ■ **Time:** 12:30-4:30pm

This sewing class will teach campers how to read a pattern, sew basic stitches, measure fabric, sew on a button, hem, and many other basic sewing techniques. Campers will be amazed at what they learn to sew!

Woodworking 101

Ages: 7-10 years ■ **Time:** 12:30-4:30pm

Measure twice...cut once – the motto of a good woodworker. Come learn how to measure, cut, hammer, sand, and stain. We will be learning basic woodworking skills as we make whirligigs.

Kid Detectives

Ages: 8-11 years ■ **Time:** 12:30-4:30pm

Discover how science can solve a mystery. From dusting for fingerprints to analyzing handwriting, these activities give you a look at how detectives and forensic scientists use science to solve real-life crimes. You'll be thinking like a detective and performing experiments like a real forensic scientist!

Embroidery Samples

Ages: 7-14 years ■ **Time:** 12:30-4:30pm

Come learn the forgotten art and thrill of embroidery. From cross-stitch to satin stitches to French knots and more, come transform delicate artistry into beautiful heirlooms. We will frame our sample projects for display and gifting.

Creative Crochet

Ages: 6-14 years ■ **Time:** 12:30-4:30pm

Come learn how to create with crochet! Campers will learn basic stitches. Adding fanciful colored yarn, you will have fruit-shaped pot holders, crazy hats or even one-of-a-kind scarves.

Piano Camp

Grades: 1st-8th ■ **Time:** 12:30-4:30pm

Piano camp is about learning how to perform solos, play in an ensemble, improvise, arrange, and perform in a master class. All students are invited to explore the basics of music theory, music history, and music appreciation. Music games and fun time will make it a week to remember!

Calling All Shutterbugs!

Ages: 11-14 years ■ **Time:** 12:30-4:30pm

Do you carry your camera with you everywhere you go? Explore the amazing world of digital photography by discovering more about how your camera works, how to take amazing shots and how to incorporate your images into design publications.

Bread Baking 101

Ages: 6-14 years ■ **Time:** 12:30-4:30pm

Learn how to make bread from scratch. Campers will learn to work with yeast and flour to create scrumptious eatables like cinnamon rolls, pita bread, Italian loaves, braided rolls, and multi-grain whole wheat. Nothing smells or tastes better than fresh baked bread right out of the oven. Bring on the batter and come excite your taste buds!

Mini-Mad Scientist

Grades: K5-2nd ■ **Time:** 12:30-4:30pm

Let your Mini-Mad Scientist explore the wonders of science this summer. Dig for dinosaurs, create a volcano, and see the world through the eyes of a bug. Investigate the power of air, explore outer space, and create the colors of the rainbow. Each day students will perform numerous experiments.

Build a Fairy Tale with Legos

Ages: 5-7 years ■ **Time:** 12:30-4:30pm

Have you ever been to Snow White's cabin in the woods or in the shoemaker's shop? Would you like to go to Sherwood Forest with Robin Hood or how about drop bread crumbs in the forest with Hansel and Gretel? Go to all these places and more with stories and Legos.

Music Explorations

Grades: 4th-8th ■ **Time:** 12:30-4:30pm

Become a knowledgeable musician by discovering the world of music in history, theory, performance, the lives of composers, and the art of conducting. Explore the best literature of classical music.

Camp Learn-a-Lot

Grades: 2nd & 3rd ■ **Time:** 12:30-4:30pm

Camp Learn-a-Lot is the place for all kids looking forward to 2nd and 3rd grade! We will review phonics, reading, and math with awesome games and interactive whiteboard activities. Come write funny, creative stories. Camp Learn-a-Lot is guaranteed to chase that summer boredom away and get you ready for school! You won't want to miss it!
